

Money Smarts Challenge

Well done to Megan O'Toole, Abigail Teggart, Pia McCann, Eseosa Ojekhebhola, Caoimhe Halpenny, Aoife Smith, Tara Catlett, Jasmine Walsh, Victoria Chitaire, Aimen Fatima and Megan Greene who represented St. Oliver's in the Bank of Ireland Money Smarts Challenge on 27th January. The girls took part in financial wellbeing workshops in the morning where they learnt how best to allocate their income and how to read a payslip. In the afternoon, they took part in a fast paced quiz based on all things money and banking.
