

Coming together to **SHARE THE LOVE**

We are asking the whole school community to get involved in the 'Share the Love' Art project. The final outcome of this project will be the creation of a large Art Collage/Installation in the school.

Title: Share the Love

The idea is to connect the school community while we are apart by completing individual heart shaped drawings filled with vibrant colours and designs. All the hearts will be gathered and put into a collage to form a display in the school.

How to complete:

Draw a square (21cm x 21cm) and draw a heart to fill the square. (A4 sheet will work best.) Colour and design the heart and the background using vibrant colours.

How to submit:

Photograph your finished heart, make sure you photograph the work straight on and in good light. Crop the image so you just have the 21cm x 21cm square.

Submit your artwork to Ms.Boylan - jboylan.soc@lmetb.ie or Ms.Walsh - dwalsh.soc@lmetb.ie

Submission deadline: March 26th 2021

Best of luck creating your unique hearts!
