

## Spanish debating Challenge

St. Oliver's hosted the annual Spanish debating challenge against Eureka College, Kells on 29 September. Each school presented two teams who debated the motion that 'Homework has no place in Education'. Both debates were entertaining and students proved to be very passionate about the topic. On the day St. Oliver's won both debates in a very tight contest. St. Oliver's was represented by Nicole, Joe, Daniel, Kotryna, Radu, Andre, Abbey and Emils.
