

## Spanish trip 2015-16

---

On Saturday the 24th October thirty students and three teachers from St Oliver's Community College flew into Barcelona on a 5 day trip to the Catalan Capital. The group had a wonderful time experiencing Spanish culture and cuisine with visits to the National Art Gallery, the Gaudi inspired La Sagrada Familia, Barcelona football club, Port Aventura, and a tapas and flamenco evening to name just a few highlights. A stroll on the beach and some shopping topped off a memorable few days in this very special city.
