

## Taisce Lú

On Tues, 21<sup>st</sup> January, Ms Thornton's JCSP art class went to An Tain Art Centre, Dundalk for a guided tour of the exhibiton, "Taisce Lu", followed by a workshop with the exhibition's curator, Claire Halpin. Everyone really enjoyed the selection of art on display, particularly the preserved boar's head, which got some great conversations going! Then, there was a drama workshop with Cathal, which was difficult at the start, but great fun. Finally, we were treated to a backstage tour of the smaller theatre space in An Tain by Paul Hayes, the director of the theatre!
