

WorldWise Global School's Diplomatic Passport Award

St. Oliver's CC has been awarded WorldWise Global School's Diplomatic Passport Award for their established engagement with Global Citizenship Education (GCE). This is the school's second award after receiving the Citizen's Passport in 2018 for emerging work in GCE. The school has been awarded the passport for exploring and acting on global issues in various subjects, dedicated TY modules and extra-curricular activities. The school has also collaborated with other schools in the area and worked with various organisations on many campaigns and projects such as Sonairte's Youth For Change and Concern's World Day events.
